- HTML/CSS
- React.js
- SQL
- C programming
- Java

PROJECTS

Team — Social Media Dashboard Jul 2025 – Jul 2025
Ujire, DakshinaKannada

- A Social Media Dashboard is an interactive tool that allows users to monitor, analyze, and visualize data from social media platforms. It is used to track engagement metrics such as likes, comments, shares, and followers from pre-stored database data.

Individual — MERN Authentication Jul 2025 – Aug 2025
Ujire, DakshinaKannada

- This MERN stack website offers a user-friendly platform built with React.js. It features secure sign-up and sign-in options, including Google authentication, and allows users to update their username, email, and password with privacy protection. The platform ensures safe and efficient access for users.

Individual — Static Portfolio website Feb 2025 – Feb 2025
Ujire, DakshinaKannada

- My personal portfolio website showcases my skills, projects, and experiences. It serves as a central hub where visitors can learn more about me, explore my work, and connect with me easily.
